

## Welcome to Complete Training

With the largest, fastest touchscreen on the market, at 21.5," the CT+ allows you to quickly and easily build drills, compete with others using multiplayer mode, and view your statistics in real-time, seeing improvement with every rep.

- NEW! 21.5" True Touchscreen & Advanced Processing Speed**

Easily Browse and Build workouts on our new, larger, faster touchscreen. The larger display allows viewing of shooting statistics from anywhere on the court, motivating players with every rep.

- NEW! Offline Mode**

Pre-download your most-used drills (custom built or from our library) for quick and easy access without wifi.

\*Download up to 20 based on the average size of a workout.

- NEW! Digital Remote**

Pass on demand with our digital remote. Use your phone like a remote to pass a ball out to anywhere on the court with the tap of a button.

- Pro Trainers On-Demand, 24/7**

Access more than 250 custom workouts from the best trainers in the game

- Instant Analytics**

Easily view your makes, takes, and percentages during your workout

- Powerful Stats**

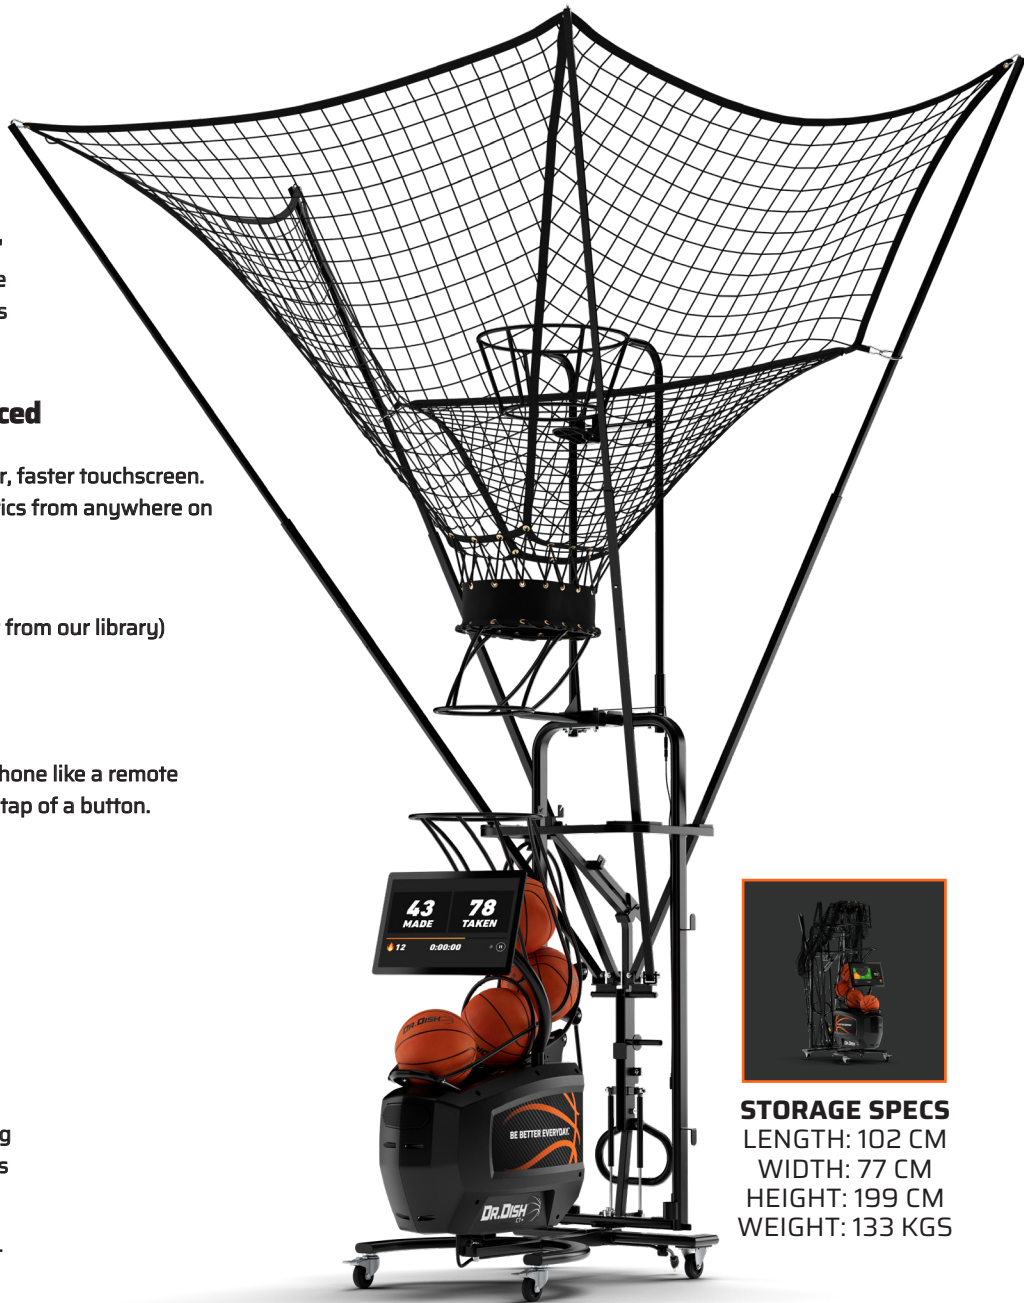

Detailed workout overviews with heatmaps, shooting percentage summaries, and drill-by-drill breakdowns

- Custom Order Locations**

Program drills out of order, like a 5-Star drill, and get away from the "Spot Shooting" mentality.

- Remote Cast Your Team's Leaderboard**

Our Dynamic Team Leaderboards allow you to cast your team's Leaderboard to any smart TV showcasing all saved data from individual player profiles.
