

HIGH REPS + HIGH TECH

A cost-effective, fully automatic, and programmable shooting machine that tracks your makes and attempts. Build and save your own custom drills; even out of order to get your kids on the move. All with an updated modern design that includes an 21 cm HUD touchscreen.

- **Programmable**Choose up to 19 spots on the court
- Adjustable Net
 Adjust to different heights for players of all ages
- Shots Made Counter

 Mechanical counter tracks all your makes and misses
- Multi-Range Programming
 Program 2s, 3s, and even FTs into one drill
- Remote
 Control the passing with a push of a button

CUSTOM ORDER LOCATIONS

Program drills out of order, like a 5-Star drill, and get away from the "spot shooting" mentality.

NEW & IMPROVED NETTING

Our new design includes a wider weave, while our black netting reduces light refraction and glare to give you increased visibility on the court.

21 CM HUD TOUCHSCREEN

Easily view your makes, takes, and percentage during drills. View detailed heat maps and drill-by-drill breakdowns immediately after your workout.

QUICK-ADJUST PASS DISTANCE SELECTOR

Quickly adjust with a push of a lever from FT, 2pt, 3pt, (HS, College, and Pro) Preset distances make it fast and easy.
